

INTRODUCING

# LUXURY PRINT

In a world where customers are flooded with messages, offers, and ads, our line of Luxury Print products with soft touch lamination and raised imprints can help you stand out. Choose between several raised foil colours for a striking 3D reflective effect that makes your cards feel unique. Whether you're aiming for a high-end look or a touch of visual interest, our Luxury Print process will add excitement to your design, transforming it from ordinary to unforgettable.

**All Luxury Print products include the following:**

- 19pt paper card stock
- Luxurious double sided soft touch finish
- Beautiful full colour imprint
- Your choice of raised foil colour (10% coverage)
- Raised spot UV (10% coverage)
