

SAVE THE PLANET

22 APRIL

EARTH DAY

## Sprout Pencil

- The plantable Sprout pencils can grow into plants like luscious flowers, fragrant herbs and fresh vegetables once they're too short to use.
- Choose from chili, strawberry, cherry tomato, daisy & forget-me-not seeds. Seeds are embedded in the biodegradable end cap of the pencil.
- Includes a full colour custom imprint on card stock sleeve.
- Planting instructions are on backside of sleeve.
